Convenient • Simple • Complete • Economical

- ✓ Complete set of parts in one box to repair your level gage.
- ✓ Easy storage – one size box for all size gage parts.
- ✓ Simply purchase the correct number of boxes to match your gage size and number of sections. For example, repairing a standard size #7 reflex gage with 3 sections would require three Gage Repair Kits, P/N: 1-011-14-070.
- ✓ Each Gage Repair Kit includes glass, gaskets, cushions, bolts and nuts – everything you need to completely assemble your rebuilt gage like new!
- ✓ No more confusion when selecting gasket size, bolt lengths and number/size of nuts – we do the work for you!
